

VIVIAN ILECHUKWU | FRONTEND WEB DEVELOPER

Rivers, Nigeria | 08159240905 | ilechukwuvivian0@gmail.com

PROFESSIONAL SUMMARY

I am a dedicated and innovative front-end web developer passionate about creating intuitive, visually appealing, and user-friendly web interfaces. With a solid foundation in HTML, CSS, and JavaScript expertise in responsive design principles, I bring ideas to life through clean, efficient, and maintainable code. I thrive on solving problems and leveraging my understanding of the latest web technologies to deliver seamless digital experiences. I am committed to continuous learning and adapting to emerging trends in the tech industry. My collaborative mindset, attention to detail, and user-centric approach enable me to work effectively in dynamic environments, contributing to project success.
